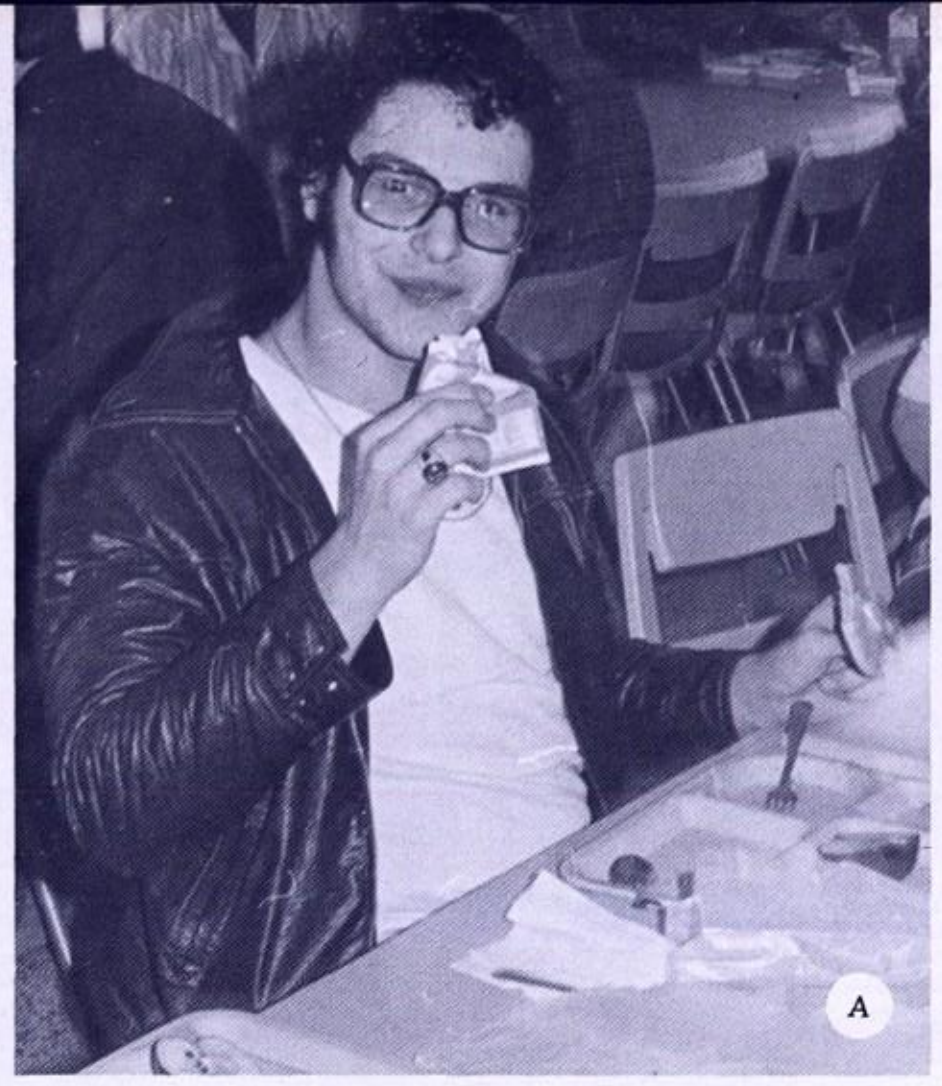
ACTIVITIES

SPIRIT DAYS



A

Excitement filled the air, laughter resounded through the halls as another typical spirit day arrived at Wynford Wow!! What would you think if you saw a toothpick shaped body dressed aas the Jolly Green Giant coming toward you? You'd probably put yourself in the place of the Little Green Sprout. Or what if you saw a person wrapped in gay Christmas paper zooming past you?

The first thing that would be most likely to enter your mind, would be that you were taking a tour through Santa's workshop.

Other Spirit day activities included students wearing masks, curlers, hats, crazy socks, swearshirts, and ties. These were examples of the crazy attire that the cheerleaders decided were ways of showing school spirit. Students or teachers participating signed their respective rooster sheets, which were located in the cafeteria at noon and faithfully guarxed by the cheerleaders. The class with the highest percentage of participants gained one point which went toward winning the spirit trophy.

Football HOMECOMING

What was it like to be the 1975 football homecoming Queen? It was absolutely wonderful! Excitement and surprise filled me from my head to my toes. Mostly it was an honor, an honor to be chosen by students at W.H.S. to reign as the football homecoming Queen. I would like to say "thanks alot" to those who gave me the opportunity to be a part of "Wynford Royality" I loved it.

GET WITCH QUICK

JR. CLASS PLAY

GET WITCH QUICK

There was plenty of hocus-pocus going on when the Juniors presented "Get Witch Quick". The cast, consisting of several witches and warlocks, performed their magical spells and evil witchcraft throughout the show. The comedy, which held somewhat of a love story, had a few black magic tricks of its own. It's hard to tell what they might have conjoured up next. The play was about an English instructor, Steve Wharton, who came to Craft College to teach, not not knowing what kind of college it really was. The witch teachers and students were to keep from him what they were, but it was hard after falling in love with one of the student witches, Junelle Kemp. Steve evenually relized Junelle was a witch along with the others when he barged in on an excorism to the love spirit. Falling in love with a normal meant losing your powers, forever. After finding that Junelle could never get her power back, Steve decided he was going to take her back and planned for them to be married. They were bewitched into not remembering anything that had happened at Craft College when they left to be married.

America's Bicentennial, and we were here to celebrate it. Everyone across the nation did something to show that there is a little bit of Patriotism in all of us. Even here at W.H.S. we put on the style to show that we're proud of our American Hertiage. Everything from taffy-pulls to painting murals took place.

The taffy-pulls happened in Home Economics Dept. The girls were pulling and yanking away with the finished product being hard and soft taffy.

Murals were painted in 4 locations in the school. Much fun was had by all of those who worked on these projects.

Our open house was deemed a success by the entire community, several letters were received from the office of Crawford County Schools. The attendance was well over 800 for one night presentation. Now we say we're proud to be a small part in this great nation in the Bicentennial year of '76'.

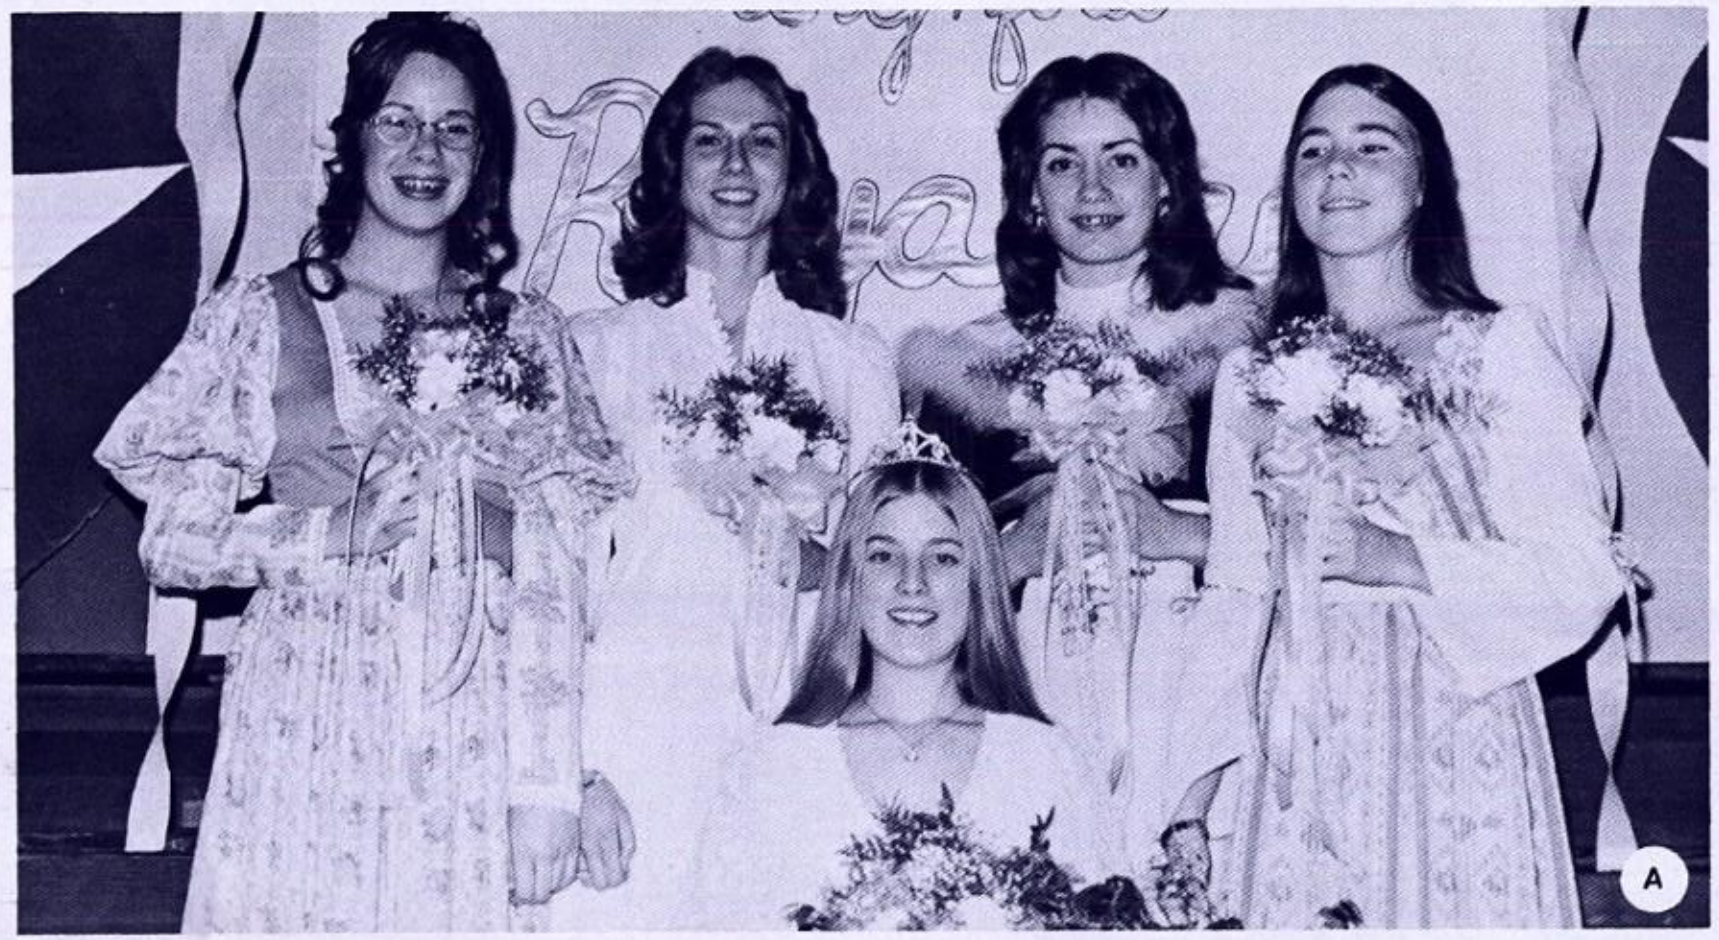
BASKETBALL HOMECOMING



January 9 will always be a very memorable evening for me. I will always cherish the surprized feeling and excitement the night I was chosen basketball Homecoming Queen. I hold many special feelings for the girls in my court as they each mean a great deal to me. I want to express my feelings of gratitude to those who supported me and I am very honored to represent Wynford High School.

Sincerely,

M*A*S*H

The Senior Class Play presented an all school production due to the lack of Senior male actors. After scheduling around the other various school activities, practices started in the middle of March.

There were army costumes to be found, tents to be constructed and lines to be learned. Many hours were put into the production. Crazy things during practices will long be remembered. Such as trying not to laugh at Hawkeye and his monkey, eating nine year old arym rations, trying to keep the tents from falling down and hundreds of other things.

Previews were given to the school and the entire play was presented to the Junior Highs. Thursday and Friday night finally arrived and approximately 28 nervous actors and actresses gave two nights of perfect M&A*S*H performances.

For five days before the big event, the Juniors pounded nails, strung streamers, chalked walls, cut wood, and hung sheets for a remodeling purpose and that was to change the decor of the gym into that of the Swiss Alps. The gym became the ski village and the cafeteria resembled a ski lodge.

The Juniors and Seniors arrived at 6:30 and were served a delicious meal, then later danced to music by Ramstorm until 12:30. The parents then took over for the Afterprom when Velvet Rush performed in the cafeteria and movies ran continuously in the auditorium

Everyone relaxed and thoroughly enjoyed the evening and early morning, then slept until Monday.

SENIOR FAREWELL

In the beginning we were shy, inquisitive, and accepted Wynford for what it was and what it had to offer. As our first year progressed, and as we became familiar with the so many unfamiliar faces, we too began to open up and actually became a part of what was happening at Wynford.

We participated in our share of sponsoring dances and money making projects. We were recognized for our progressing academic and athletic qualities.' And most of all, we were gaining our superiority at Wynford as a whole class.

In our third year we were tested. Not literally tested, but tested to see if we could stick together and prove ourselves to the other classes. These tests were the Junior class play and the Prom, which provided for some of our best days.

Now that we are in our last year of high school, we look back to the sad and happy days with a smile or even a sigh of relief. There were the pep rallies and spirit days that made us fight successfully toward the goal of getting the spirit trophy. There were also days of doing mischevious acts, causing an uproar in classes or study halls and ending with irritated teachers and smiling students. Towards the end of the year, we performed our senior pranks, just as every senior class does. Sometimes people wonder if we did it intentionally or for the sake of competition with the other classes, or just for something to do. We set our examples for the underclassmen, and it is up to them to accept them or leave them.

Our Senior year is gone leaving us to look back on these memories and many more. We cherish these memories of our friends and teachers and only hope they will remember us. We will never be able to realize these memories and good times together. But maybe someday, after we have gone our separate ways, we will run into each other and reunite joyfully, as we have done many times before.

BEGIN-END

Seems we just begin to know one another--
to smile and really mean it.
Seems we've grown so inside, yet now the
time is ours to say good-bye.

Wow! It's hard to believe how fast this year has gone by! Why is seems like just yesterday we waited in line in the cafeteria to get your class rings. That was a big day for us because we finally became official Juniors.

Just four months ago we nailed the backdrop for the class play "Get Witch Quick". That's just how we did it too . . . Quick! We had a few conflicts but we worked around them and produced one hilarious play. We were very proud of our effort and grateful to our director, Mr. Ron Suter.

Around Christmas time the class voted on the prom theme, "The Swiss Alps". Much planning was done in the following weeks for the decorating, the menu and the entertainment. In May we gave the seniors a wonderful prom and made an impression on all as to the potential of our class.

The magic evening came up fast and there was alot of work to be done. But we were ready and we made it something to remember. How could you forget walking in among the beautiful Swiss Alps, seeing the little village lights in the hills and the quaint little ski lodge.

This year ended quickly and soon we'll be stepping into previous senior's shoes and we think they are going to be snug. We're going to do alot of stretching in those shoes and see if we can make them harder to fill the next year. We're going to stretch those shoes about two sizes next year. and as a challenge to following senior classes, "Let's see YOU fill them!"

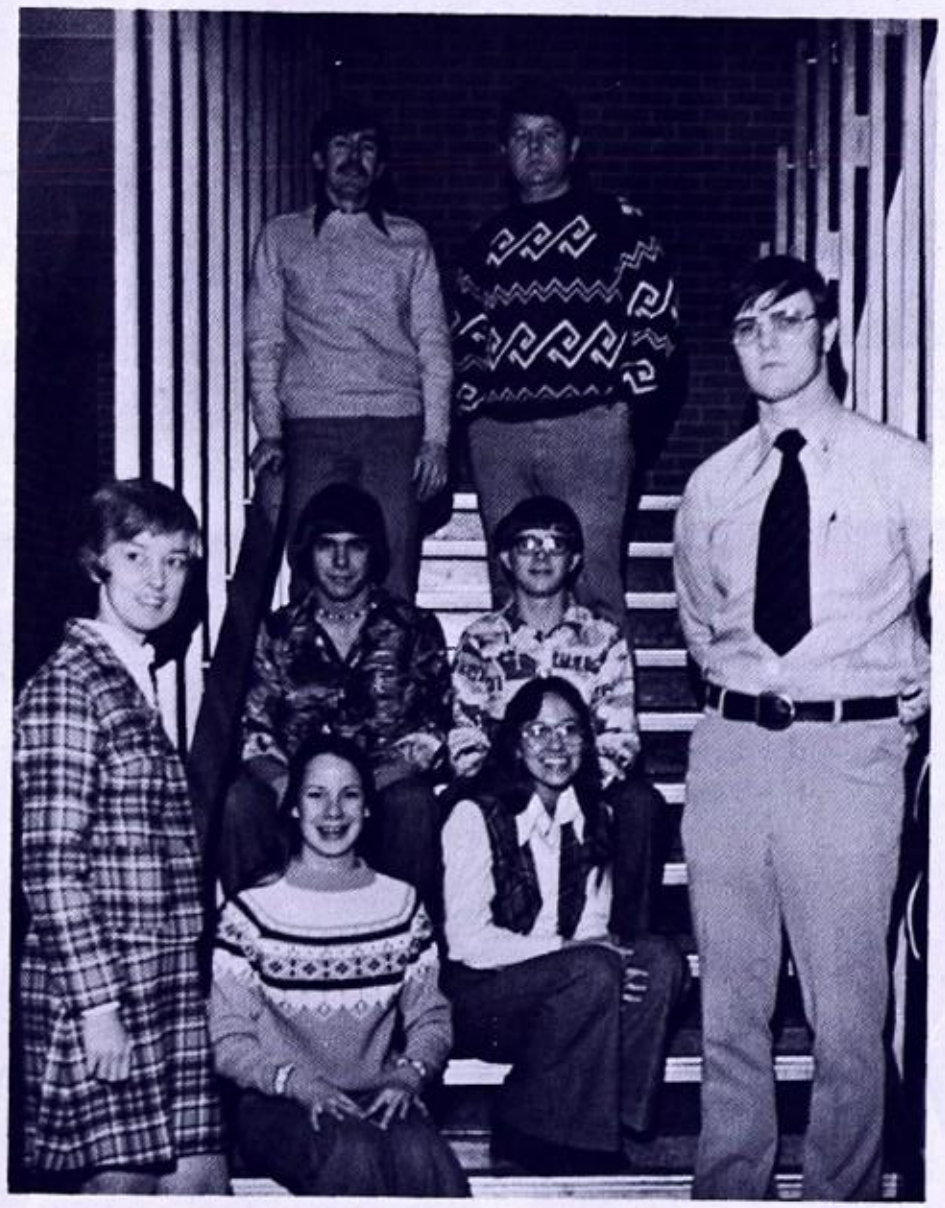
SOPHOMORES



SOPHOMORE CLASS OFFICERS AND ADVISORS: ADVISORS STANDING LEFT TO RIGHT. Mrs. Vail, Mr. Naftzger, Mr. Kajca, Mr. Campbell, and Mrs. Keller. OFFICERS: April Smith; Sec., Angie Perdue; Treas., Tom King; Pres., and Lenny Shifley; Vice. Pres.

Wow! Just think only two years to go. However, imagine all the things that lie ahead in the somewhat short time to come. This year, as sophomores, we've had our share of coat checks, sponsering dances, and the responsibility of presenting an Easter assembly in April. The sophomore class was also in charge of the spring dance, which was also in April and tended to create a rather confusing problem of who was going to be on what committee.

As sophomores, we also had the opportunity of ordering our class rings on April 27. Sure, we had it a little rough when we first arrived at WHS last year as freshmen, but there hasn't really been a freshman class that wasn't hassled by the upperclassmen. As time zooms by, and as we advance closer to the top, we look toward the future years at WHS.

FRESHMEN

FRESHMEN OFFICERS AND ADVISORS: Mrs. Shaffer, Mr. Smith, Miss Green, Mr. Armstrong,--advisors. Melodie Crall--Secretary, Cathy Schell--Treasurer, Pam Beck--Vice Pres., Wendy Downard--Pres., Mr. Borland--Advisor.

The first day at Wynford was a great challenge to the Frosh. We needed help getting to classes, opening our lockers, and just trying to forget the troubles we were getting for the Upperclassman. We took on many projects including cake raffles, mural painting, and writing our own Thanksgiving Day Play, "Gramdpa Tells a Tale," which was presented to the student body.

As the year went on we found ourselves spending more and more times here after school for various activities. Even though hard work has gone into the long hours at school, we are looking forward to the next three years at W.H.S.

Marching Royals

The Marching Royals again took the field with the thought of backing the football team and giving great half-time shows. Even though the wins were few, the spirit of the band was strong. This spirit was especially shown at the Elgin game where, even in the wind and pouring rain, the band boosted the team to a royal victory.

Half-time shows were performed throughout the year, not only to the N.C.C. fans, but to the fans of Capito. University. This show was done with the combined bands of Wynford and River Valley. The show was also given at the first home football game with River Valley.

A new addition was ddded to the band this year. For their last home game the Seniors wrote the show. First music was selected, (a favoirte song from each year at W.H.S.) field drills written and final practices. "Hit Parade of the Class of "76" was chosen as the title.

In the end the band was considered the best in the area and well appreciated by the fans. Much thanks goes to Mr. K. for his time and help.

For the second year in a row the Marching Royals were selected to march in a national parade. This year is was the "Indy 500" Festival Parade on the 29th in downtown Indianapolis and the Parade of Bands on May 30th at the Indy Raceway prior to the big race.

The buses pulled out of Wynford on May 28th and after a stop at the Ponderosa in Richmond Indiana the band arrived at the Indiana State Fairgrounds where they would spend the next two days and nights. When the suitcases, horns, and uniforms were unloaded everyone 'tried' to settle down for a good night's sleep but very few did. After dragging themselves out of bed the next morning the band members ate breakfast and got ready to march the four mile parade downtown.

Upon returning to the Fairgrounds supper was served and various activities such as frisbee, football and volleyball games were played before everyone was entertained by stage bands and rock groups from all over the U.S.

Everyone was awakened at 4 A.M. the next morning to ready themselves for the 2 1/2 mile parade at the Indy track and return home.

FLAG CORP--ROW 1: S. Creger, S. Adams, J. Assenheimer, P. Honaker, S. Sherman, M. Gregory, C. Lloyd, B. Bowersock. ROW 2: L. Dickey, D. Stiger, P. Leitzy, C. Hassinger, C. Volk, P. Sherman, K. Ryland, L. Bogard, K. Clime.

This year was the first year Wynford had a Flag Corp. The advisor was Miss Green, Patty Leitzy was President, and Pam Sherman was Vice-President. The Flag Corp consisted of 17 girls. Try-outs were held the third week of May in 1975. Poise, coordination, and personality were characteristics judged by Mr. Kindinger and Miss Green.

Long hours of hard practice provided exciting and colorful routines to half-time shows and parades. Many lessons were learned by the girls during the season. Not only learning routines, but learning to cope with each other, and cooperate with other band members, helped develop a successful Flag Corp.

The time and effort contributed by the flag girls, the band sales, bus trips, and performances made the organization exciting and worthwhile.

Also adding their talents to the band were the majorettes. Lead by Senior head majorette, Kim Bucher. The girls attended camp during the summer. The highlight of the year was working with the combined bands for the River Valley and Capitol half-time shows.

Everyone is looking forward to next year's Marching Season and some of the great routines from the future majorettes.

CONCERT AND SYMPHONIC BANDS

After the marching season is over many people think the band packs up its equipment and waits again until next football season--not true! On Monday, Wednesday, and Friday the Symphonic Band, of mostly Sophomores, Juniors, and Seniors, meets to practice on songs for their up-coming preformances. The Concert Band, consisting of Freshman and upperclassmen, playing different instruments other than their own, has practice on Tuesday and Thursday doing the same, rehearsing for their programs in February and May.

This year, the February concert was the high school's bicentenial project for the county. The hard work in practice paid off when the compliments were heard! The Spring concert, given along with the choir, was also another good accomplishment for the music department.

STAGE AND PEP BANDS

The pep band was composed of approximately 25 members who expressed their school spirit by performing at the home basketball games and pep rallies. Many peppy and toe-tapping songs came from the right hand corner of the home seats to support the team.

The 19 member Stage Band gave great performances once again this past summer during the Bratwurst Festival, Also on their schedule was playing for the Mini Follies and a Kiwanis Club luncheon. Best of all their engagements was the trip made to the Columbus Downtown Sheraton in December to entertain at the State County Recorders Convention.

The Mini Follies found the Stage Band in the spot light once more as they were featured throughout the show. Folks from all around listened to everything from their theme song "New Generation" to "Odessey Rock" and "My Man Quincy". Everyone is looking forward to next year and more entertainment in the Follies and various other performances given by the group.

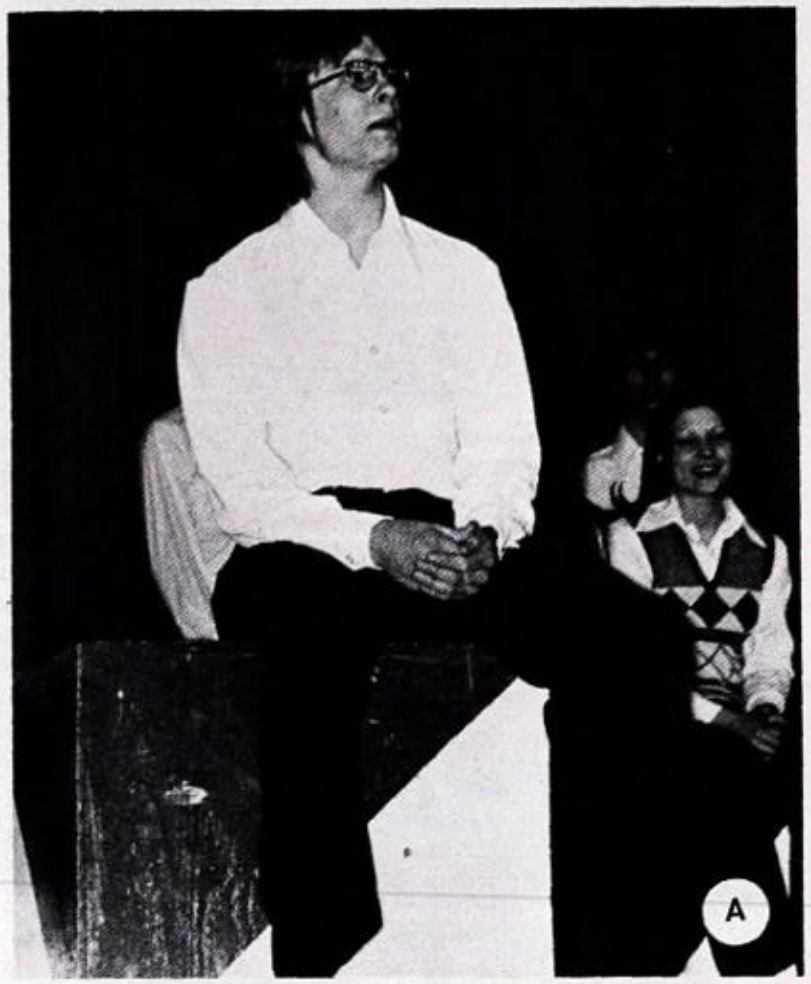
ROYAL SINGERS



After choosing the Bicentennial, Spirit of '76', as our theme the Royal Singers became active throughout the entire school year. Tryouts were held last spring, then during the summer months the singers had the job of finding red, white, and blue outfits to satisfy all 17 members.

Practices were held on Tuesday evenings to get ready for many programs scheduled throughout the year. Portions of the "1776" program were performed in school assemblies, at concerts, and the Bicentennial Open House. The singers also participated in the Childrens' Home Christmas Party, Mini Follies, and the Spring Concert.

A. Bud Cronin demostrates his singing talent in a salute to "1776". B.. ROYAL SINGERS: S. Cuffman, B. Armbuster, J. Bauer, S. Keller, R. Shifley, A. Smith, S. Miller, C. Long--acc., B. Cronin, K. Clime, D. Yaussey, E. Brause, A. Hartschuh, B. Gibb. Missing are M.J. Stormer and A. Perdue. C. Mary Jean Stormer puts all her spirit in "The Night Before Christmas."

Did you ever wonder what kind of ideas go buzzing thru people's heads while they sang? "I sure wish we'd get this over with!" "Where are mom and dad sitting?" "How'd I get stuck by this guy?" "I hate this song!" It's doubtful that this last thought occurred very much, as most of the songs the choir sang were enjoyable.

This being the bicentennial year, many of the songs sung were patriotic. A favorite tune was the "Battle Hymn of the Republic". Mr. Boos added blaring trumpets also, which really highlighted this famous song.

You wouldn't believe the preparation that went into each concert that the choir presented. We practiced for several six-weeks and then presented a concert that lasted an hour. Oh, well, I guess the shorter the concert the better!

Much fun was spent during the first and second periods this year. Many people enjoyed making faces and comments during the video-taping session. The risers created some shoving matches, which usually went undetected and then who could forget the moustache that Mr. Boos grew that was the target of many jokes!?!

ANNUAL STAFF

Well, the cropper, grease pencil, artboard, and technical pens were all taken out of the "fourth drawer down in the cabinet" nearly everyday for their use in constructing the yearbook of 1976. "It was entirely different this year," Mr. Crow said. "There were 18 students responsible for putting the yearbook together, instead of three or four workers as in the past years."

The Graphic Arts class was another name for the yearbook staff which at one point during the year viewed their own slide shows with background music. Students were impressed with each others work. "It took alot of time and a little money but I think most of us enjoyed doing it!" stated Bud Cronin.

"I feel we have come up with several new ideas such as turning the book sideways, the black border, and the bicentennial cover." "It's fun putting together a book!" Bob Leonberger said.

Several of us will be taking the course again next year and we have already begun to plan the format of the book. We on the staff hope the Wynford classes enjoy this publication. Hey! Take a look at yourselves!

FFA

The local chapter had several outstanding achievements during the year including a national championship in livestock judging at the National FFA Convention at Kansas City. The team included Mark Goodman, Gary Scheffler, and Dale Wolfe.

Other national awards included a silver National Chapter Award and presentation of the American Farmer Degree to Rick McDaniel.

On the state level, Mark Goodman was named Ohio's top FFA member in the area of Beef Production. The chapter ranked fourteenth of 348 chapters in Ohio based on the program of activities carried out by the members. The State FFA degree was also awarded to Mark Goodman.

Major group activities last year included the sale of 2 truckloads of citrus fruit, manning 2 state roadside parks over the 4th of July with free refreshments, cider sales, vitality seed sales, school automobile safety check, 2 corn variety demonstration plots, 7 acres of soybeans, along with first place teams in judging, Parliamentary Procedure, and Public Speaking.

Spanish Groups

An increased interest this year in the Spanish language added more members to the Spanish Club. The election of officers was held in early September with these results: President, Cindy Long; Vice-President, Sonja Sturtz; Secretary, Patti Guinther, and Treasury, Kathy O'Briant. The initiation ceremonies for new members was held in early October. Special programs were presented by Mrs. Warren Sanger and Kevin Ruth.

In December Los Conquistadores, along with Buckeye Central Spanish Club, visited various nursing homes and the Bucyrus Community Hospital to sing Christmas carols in Spanish and to wish a Merry Christmas to all.

On May 4 the annual Wynford fiesta was held with the theme being "La Seista." Club members and all Spanish classes took part. Committees worked on preparing tacos, playing Spanish tunes, singing Spanish songs, writing several skits, making pinatas, painting murals, planning a show= case display, preparing nametags, learning the Mexican Hat Dance, and cooking food in the Spanish style. The evening's festivities was attended be students, parents, and faculty.

EXCHANGE STUDENTS

Wynford had two students from Brazil during the school year. Adriano Martins was sponsored by the Youth for Understanding program and his host was the Kenneth Schifer family. Jose Augusto Rodrigues was sponsored by the Rotary Exchange Program and his host was Calvin Campbell family. Jose will be continuing his education at Wynford for another semester, while Adriano will be returning to Brazil, soon. D. Adriano. E. Jose.

Student Council

The Student Council has done numerous things which the student body does not realize.

Sponsoring Basketball Homecoming was no easy task. Everything had to be put together at the right time and place and was done tremendously by Dianna Stiner. President Steve Cuffman narrated the Homecoming procession. Ramstorm preformed in the cafeteria after the game.

At the beginning of the school year it was suggested that those students who had an A or B average would not have to take semester exams. The suggestion then went to the teachers and was decided that those students who had an A average would not have to take semester exams.

During Christmas time the Student Council put up a Christmas tree to help people "get in the spirit" of Christmas. A Teenage Christmas was shown during an assembly along with Abbott and Costello.

THESPIANS

The year started out perfect. We went to see the play "Company" performed by the student actors at Heidelberg College.

The Wynford Troupe sent word asking for the children from the Crawford County Childrens Home to come to Camp Michael for a Christmas Party. Stories were read and games were played. The big surprise that got a lot of smiles was when Santa came. Santa passed out gifts and then went on his way South.

Twelve new members were inducted in May.

NATIONAL HONOR SOCIETY

The Honor Society more than doubled its size this year with the April induction of seventeen new members. Each of these students had a cummulative grade average of 3.3 for juniors and 3.25 for seniors. Each student was selected after application on the basis of character, leadership, and service. Being a member of this particular organization should make a student feel proud of his or her academic achievements.

You could always tell when the lifters were working out--2:50 p.m. Three days a week the wildness would begin with the beat of "Disco Lady" or "Bohemian Rapsody" and the room came alive with groans of exertion and the clanging of metal against metal. Pumping iron--feeling good but drained--getting ready and building them up. The '76' football season was the goal for many. Workouts lasted for over an hour and a half except on Fridays in the winter when we would break ealry to play some rough house roundball that sometimes ended with knocked out and injured players who never should have left the weight room in the first place.

Varsity W

The Royals' Varsity "W" Club included only eleven seniors with the rest comprised of underclassmen. First-year letter winners anxiously awaited the arrival of their new Varsity jackets, and upon arrival immediately had their "W" sewn on.

The fall and winter athletes were honored at traditional banquets. However, the spring sports participants were honored at an assembly in school. This was done due to the large number of athletes to be honored.

During the year the Varsity "W" Club conducted the Football Homecoming ceremony, The queen and her court, as well as the escorts, did a tremendous job, and had a lot of fun as well. The organization also sponsored a dance at Camp Michael following the Homecoming Game, which was attended by many students.

This year a new addition was included in the program. With the G.A.A. being abolished the girls were elgible to earn Varsity letters as well as the boys.

With many underclassmen returning, the Varsity "W" Club should have a large membership next year. The challenge to them is to keep the Royal tradition in sports going!

The Wynford FHA consisted of 69 girls and proved very active this past year. The theme for the 75-76 year was: "Wynford FHA Wants You at Yor Best in 76!.

First they had a Watermelon Bust, which got interested girls to come and meet new friends. The FHA had initiation for 26 new members in September. They had speakers on many topics, including on foster home, nutrition, medical tips, psychiatry, personal appearance, women's reformatory. A Craft Shoppe and Careers Panel was also held, along with Halloween Caroling, County Skating Party, and Tupperware Party.

Feb. 8-14 was National FHA Week and the girls had FHA Flag Day, 8th Grade Birthday Party, Book and Toy Shower, Teachers' Breakfast, Cookie Day, Valentine's Dance, and a "Little Miss FHA Queen Contest. Our queen was; Barbara Volk and she was honored and crowned at the FHA Banquet. The FHA also helped collect Heart Fund this year, which was well worth the time.

This year 11 girls received their Jr. Degree, 9 girls received their Chapter Degree, and 4 received their State Homemaker Degree. 15 attended the National Convention on April 23-24 at Columbus.

This year proved very worthwhile and enjoyable for the girls and in the summer they took a tour of Children's Hospital in Columbus.

A.P. Brewer and V. McDowell give their full attention to Mrs. Schiefer. B.L. Schifer and M. Ruth received a 1st place rating at State FHA Regional Recognition Day. C.C. Smith and J. Hetrick designed an American Flag for the Bicentennial Open House.

CANDY STRIPERS

This was another busy year for the Candy Stripers. The volunteer workers admitted that the few hours they worked could be, and often were hectic. The girls started by attending six training sessions, and then at the investiture ceremony they were rewarded with their caps if they were first year nurses, and their 100 hour pins if they were second year nurses.

The object of the Candy Striper program is to learn responsibilities, such as delivering materials to many departments of the hospital, help hospital personel at the busiest and most boring times, and to cheer the patients.

What becomes of the girls depends on their experiences. Conducting tours of their schools and a screening test for elementary students, as well as qualifying for scholarships are a few. This year Diana Linn and Nancy Arnett rode a float in the Mardi Gra Parade for working the most hours.

The Candy Striper program, advised By Mrs. Armbruster, looks forward to another exciting and rewarding year.

STUDENT LIBRARIANS

What can you say about the library?
It's boring? It's dull? On the contrary!
You can find books of every shape and Kind
Books that are fiction, Books that are not;
Books that can tell you quite alot.
Librarians can find you information;
to help you out of a bad situation
Without their help its hard to tell;
If one could find it by the 2nd bell;
We thought it over and we agreed,
Student Librarians are of great need.

IOE

The Senior I.O.E. (Intensive Office Education), a class involved in many varied activities and projects, has gained some very practical experience in office procedures and now has one student at work in a local office on a parttime basis until graduation. She will then begin working on a full-time basis. The class has toured local banks, newspaper, and telephone offices, as well as insurance and factory offices. The procedures and equipment they have observed has helped them to decide the type of office work they would most enjoy. In addition to building accounting skills, the actual composition of all types of business letters has consumed much time and effort and resulted in new and surprisingly fine skills. Working with the dictaphone, mimeograph, folder, spirit duplicator, and the constant use of the typewriter and calculators, has given this class the opportunity to develope their skills to their greatest potential. The future will tell us how well prepared each student is to assume a productive role in our world of opportunity.

PIONEER VOCATIONAL SCHOOL

To be accepted at Pioneer your aptitude test, ability, attendance report and the application itself is considered. The 4 basic areas are Vocational Agriculture, Business Education, Vocational Home Economics, and Trade and Industrial Education. There are 26 catagories under these. Pioneer hopes to have 5 more courses by 1980. There are 12 other schools beside Wynford attending.

Basically there are 2 year courses offered, preferably to Juniors and Seniors. P.J.V.S.'s motto is "for every graduate a saleable skill."

KEY CLUB

A

The Key Club met twice a month to dicuss business plans and other activities. One major accomplishment occured at the beginning of the school year. A constitution for the organization was drawn up, something which has been attempted the past few years but has never been successful.

On every Thursday (except when some people forgot!) two or more Key Club members attended the Kiwanis luncheon and business meeting held on the second floor of the YMCA in Bucyrus. Although these members hated to get out of school for these luncheons, they viewed some interesting speakers and programs.

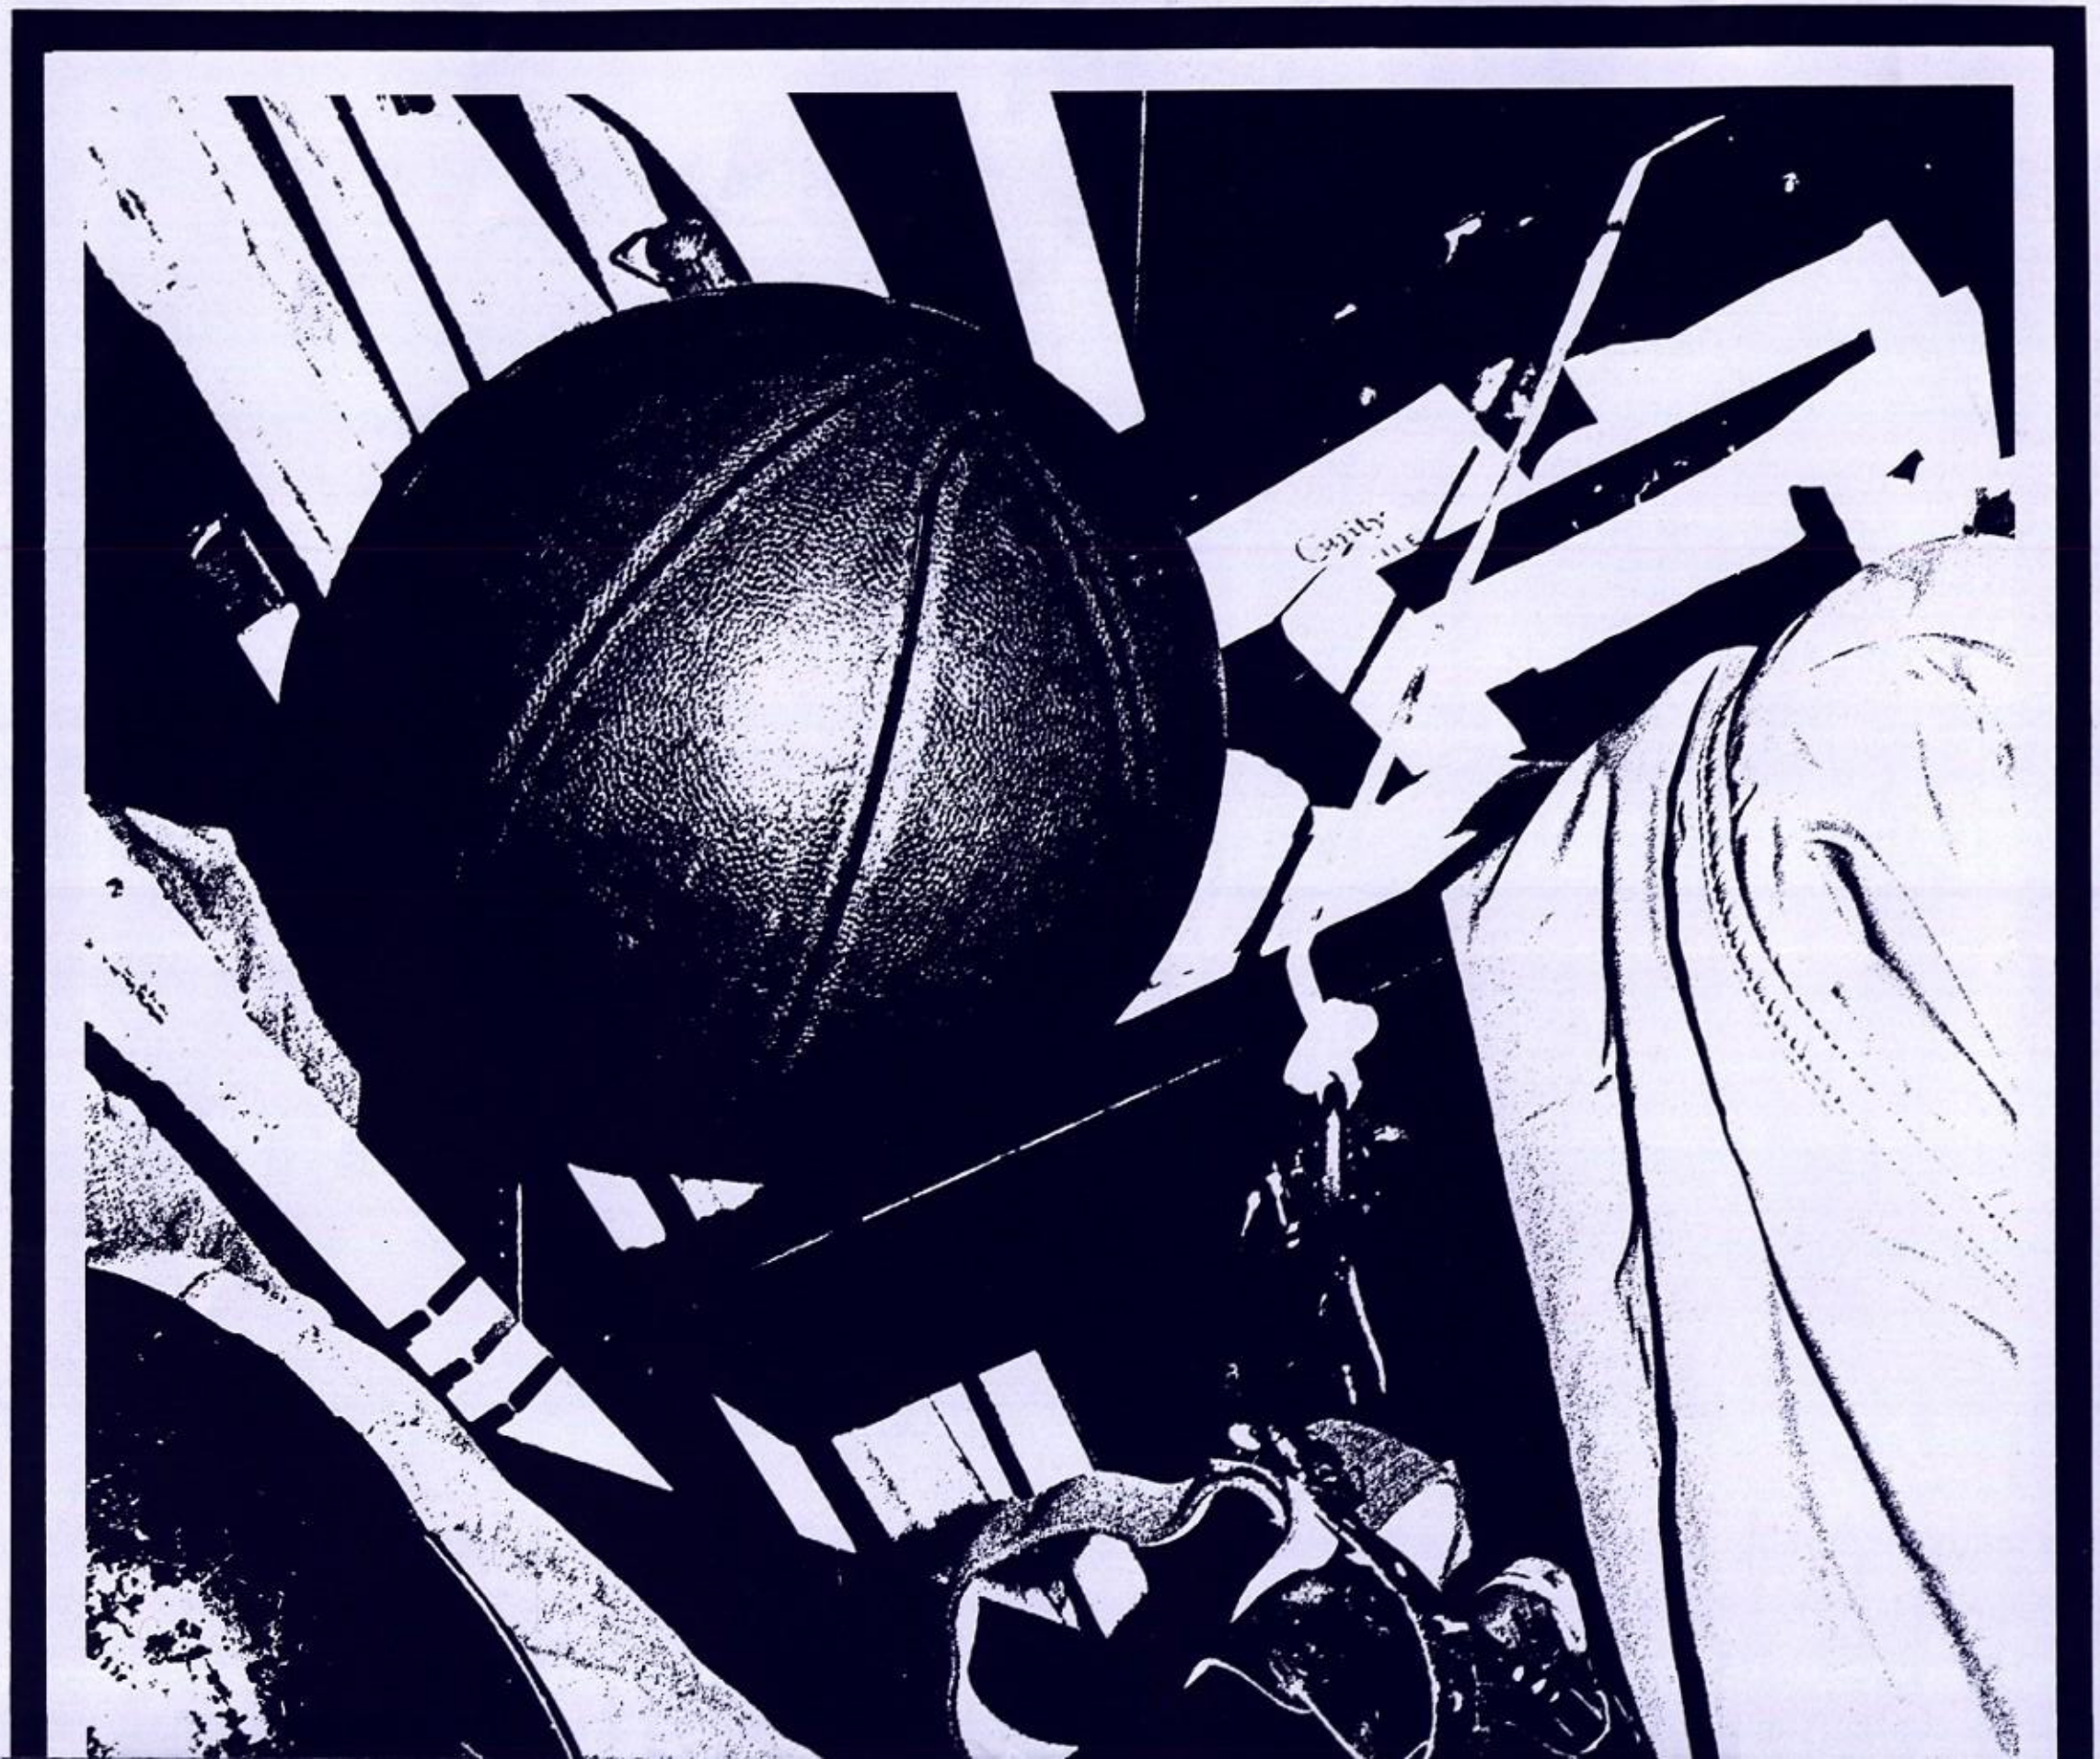
There were ten of us who worked in the main school office each day. We did a variety of jobs to help the school run more smoothly. We answered the telephone and delivered messages, filed various forms, collected absence slips, distributed the mail and helped with the typing jobs.

Of course, the office atmosphere was not always strictly business-like. Mr. Dilley usually cracked a few jokes to liven things up while we made out the absence lists. At Christmas time, two of the office helpers typed the absence lists in red and green and printed Christmas motifs at the bottom.

Things have been known to go wrong in the office though. Disgruntled callers have hung up when the person they were calling could not be located soon enough. Papers sometimes had a strange habit of tangling themselves in the mimeograph machine. Dumped duplicator fluid all over the floor was frowned on quite a bit. Signing for the delivery of a package that was intended for another school district was another problem that office helpers had to face.

Despite these problems, the office girls all felt this work saw an enjoyable way to spend a free period.



ATHLETICS

VOLLEYBALL

"Third in the State is really a great achievement," was Mrs. Keller's reply to her feelings on the past season. "The girls really put forth a fine, all around effort.

Finishing 3rd in the N.C.C. with 6-3 record and 13-5 overall, the team was led by Kay Kissling who was voted M.V.P. and given 1st team N.C.C. honors. Also honored was Lynne Sipe who was named to the honorable mention list. This was the first year girls sports has been on a league schedule and included in the Varsity "W:. Adding to the list of the first girls including Kissling and Sipe, to recieve their Varsity letters were Beth Armbruster, Julie Mathews, Wendi Walcutt, and Barb Swalley.

Ending their seasons on the winning side also was the Reserve team with a 7-2 record, the best for a reserve team at Wynford. These girls played a big part in the victories that led to the State Semi-Finals, helping at every practice, giving their time and efforts and giving their support through out the season.

Both teams should be commended on a job well done.

CROSS COUNTRY

Once again the cross-country runners began their conditioning during the summer by running 150-500 miles of road work. When school started they went twice a day, runing 2-4 miles before school and 5-10 miles of workouts after school. The accomplishments this year were made through hard work and dedication.

The team was headed up by senior Steve Cuffman and junior Chris Dunlap. The rest of the varsity includes Steve Neff, Kevin King, Dave Kocher, Phil Neff, Jim Bauer, and Dave Dotson.

Dunlap and Cuffman lead the team to another good season in winning the N.C.C. for the second straight year. Dunlap and Cuffman qualified for the State Meet. Running on the Scarlet and Grey Course in Columbus, Dunlap finished third and Cuffman finished twentyeigth, both running in the single A class. Dunlap recieved all Ohio Honors in Cross Country and was voted by his team members as M.V.P.

VARSITY Football

As I look back on the past football season, the memories of those summer two-a-days enter my mind. There wasn't much talking that first day when the team members straggled into the locker room to pick up their pads and the rest of their gear, but thoughts of those hot practices and sweating off the winters excess flab were almost unbearable. Coaches toiled intently from sunrise to sunset to teach a new system and the team drilled more diligently getting ready for that fast approaching season.

The team was in shape and had the desire to win by September 5. However, its first victory came October 17 in the seventh game against the Comets of Elgin with a 22-0 score. After the game the glow of victory warmed the cold wet players, who had struggled through the freezing rain and wind blowing at gail forces. Then ending the season with 8-0 win over Col. Crawford on October 31, made the team want those summer two-a-days to start all over again the next day.

Winning two games and losing seven doesn't sound very impressive, but they were the pride of the season. Each player regretted the end of the season but eagerly anticipated another, when new recruits join them for those summer two-a-days. The team will also miss the senior football players: Dennis "Magilla" Lyons, Steven Weisenauer, Faron Volkmer, Fred "Wildman" Roberts, and Randy Shifley. All of these men lead the team and kept its spirit high throughout the season. The rest of the team wishes all of them the best of luck in the future. The remaining team has high hopes of making Wynford Football a success in the upcoming seasons.

RESERVE & FRESHMAN

The mighty Freshman & Reserve Football squads were a tough bunch of bruisers. We worked hard under the leadership of our coaches who cracked the whip at all times, before, during and after every bloody battle. At the command of the Q. B. the mighty Blue and Gray Royals would smash hard into the line. Everyone heard the blood-curdling screams and cries from the pain of knashing teeth as both lines bashed head-to-head until the final whistle would sound the end of the contest. Then both teams would shake hands graciously and congratulate each other for playing a fine game.

To keep the team in high spirits we had our super-spirited cheerleaders, who lead the loyal fans in cheers to boost the moral of the mighty squad.

Even though we only went 3-5 for the season, we are extremely proud for our good efforts that taught us the ropes of WYNFORD football. For the on coming '76' season we are setting our goals high for playing reserve and varsity ball for the great ROYALS.

Golfing practice started in the warm summer month of August. After weeks of hitting the courses around the area, we were anxious to start a new year under Coach Markey. The four junior linksters became the team leaders. The task of the two sophomores who returned was to prove to be consistent strokers. The freshmen had to do a superior job to join the Royal golf team. Although the season was a little disappointing, it did have some highlights. The varsity team tied the school record at Cranberry Hills against Buckeye Central with a 167 score. The individual score of 39 was posted by Brian Stockmaster, which tied the school record also. Brad Hawkins, a freshman received his Varsity W as a first-year team member. In looking forward to next year, we, the Royal Linksters, would like to make golf a winning tradition at WHS.

Girls' Gymnastics at the high school level are based on the levels of Beginning and Advanced. In its second year as a team the Wynford Gymnasts performed all beginning routines. The routines are performed in two categories: Compulsory routines are pre-written and performed as the writer has designed them. This was the first year for the new Compulsory routines and it is the category that the gymnastics team competed in. Optional routines are written by the gymnasts to suit their own personality and talents. The gymnast can compete in four events. They are Vaulting, Balance Beam, Uneven Bars, and Floor Exercise. Only the Floor Exercise is performed to music. A perfect score is 10.0 Deductions are given for errors in Execution, Amplitude, Elegance, Coordination, Lightness, Rhythm, and Difficulty. The deductions are subtracted from the perfect score of 10.0 to achieve the score awarded each gymnast.

The scores improved greatly this year for the Wynford team. We are looking forward to having a good season nest year.

WRESTLING

In our second year as a wrestling team, it proved to be another year of learning. This year's team was young. Lacking the leadership of a senior, the burden fell on the juniors. After losing several close matches at the beginning of the year we came on strong winning two near the end of the season. We showed everyone that we were a league contender by placing three wrestlers on second team all-conference and three making all-conference honorable mention. After the league meet the team members carried the momentum into the sectional and qualified three to the district. Those qualifying to the district were Kevin King, Ken Groves, and Bob Oberlander.

Bowling

Bowling teams were few but the quality was there. The girls' tournament team went up against a tough squad of girls from Buckeye Central and beat them with ease. Then, when it seemed the girls were going to be defeated by the Bucyrus gals, they got it together and beat them, and earned the title of County Champs. The boys' touranment wasn't quite as successful in their bid for the County Champs. They ran up against a tough Colonel Crawford bowling team.

Fun was probably the most important thing happening every Tuesday and Thursday afternoon at Suburban Lanes. Through twelve weeks of making the pins fly, the happiest Keglers had to be the girls' County Champs.

RETIREMENT

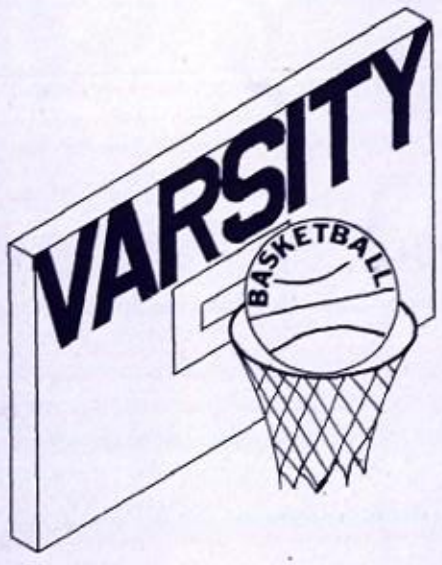
Mr. Jim Bauer, the only Varsity Basketball coach Wynford High School has ever had, resigned his position as head coach after 13 years of winning seasons.

Coaching for the past 20 years he established a win-lose record of 280 wins to a mere 130 losses. At Wynford he compiled 197 wins and 74 losses. His teams here have won the N.C.C. championship crown four times in 1964-65, 1967-68, 1970-71, 1974-75.

Coach Bauer's familiar shuffle offense has been one of the toughest in the state to defend against. He also stressed a high emphasis on good defense and foul shooting.

Through his own and lhis team's work and dedication he has made Wynford a winner in Basketball.

The school and the community would like to thank him for all his efforts and accomplishments in making basketball a winning tradition here.



The Varsity Basketball team consisted of five seniors and six juniors. The Royals had a tough schedule but came out ahead with a 12-9 record. It was the smallest team in Wynfors's history in that there was no starter over 6 feet tall. The big thing or things that made it possible for the Rotals to have a successful season was that the players had to play extremely good defense and box opponents off the boards because of the lack of height. Wynford's players also had to put out 110% all the time and hustle every moment of the game. There are many things that could be said about the season, some being: We had some high and low spots but as the schedule progressed the teams spirit, poise, and finesse improved greatly. Momentum was gained through every win entering tournament time.

Highlights of the season included defeating top seeded Tiffin Calvert and Buckeye Central for the Secitonal Title and winning close games such as Buckeye Central and Pleasant at their own hardcourts.

To sum up the season, it would have to be said that the Royal varsity team won its games with desire and extra effort. Since this was coach Bauer's final year for coaching it was fitting for the Royals and their coch to go out in winning style.

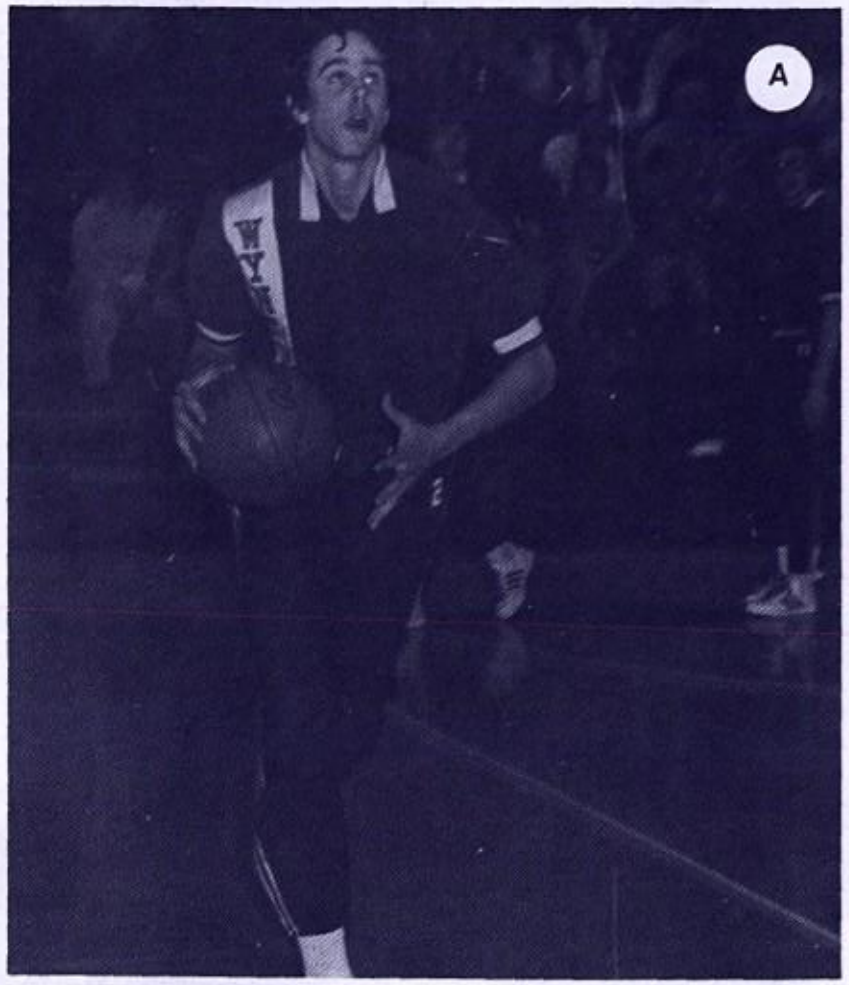
RESERVE & FROSH B - BALL



Before the first game of the season Coach Miller asked the reserve team to write down their goals for the year. The result was to try for 16+2. During each game the team gave a 100% effort to reach their goal.

At each practice many mistakes may have been made but improvements were just as great. The team found that playing together meant winning.

Even though the 17-2 season was not accomplished a proud winning season of 10-8 was.

The Freshman team didn't end with a winning season but they did prove very stiff competition for all their opponents. With a 6+8 season the team disposed of a strong Col. Crawford squad and also beat the Ridgedale Rockets twice during the season before losing to them in the Frosh N.C.C. tourney by one point.

The season is over, but eh experience gained by both squads is vital to uphold the good basketball tradition at Wynford.

The girls varsity team ended with a winning 7-5 season and a trip to the 1st annual girls sectional finals. The team was led by junior, Sharon Wert, who was voted M.V.P. and received 1st team N.C.C. honors. Two other members were given recognitionin the N.C.C. when senior, Kay Kissling, landed on the 2nd team and senior, Wendi Walcutt, was named to the honorable mention list.

The reserve team had a 4-6 record. Even though they had few wins, valuable experience was gained throughout the year. These girls will be counted on fill the vacant spots left by the seniors.

We all are looking forward to next year to improve the winning record and reach the state finals.

Back in March, the baseball team began their practices in the gym. First the varsity, then the reserves would go through several drills, butting, hitting, fielding, and then running to either get in shape or to stay in shape.

The varsity started their season in the second week of April and continued their 20 game schedule into late May. We didn't have a very impressive season in the league. Due to the lack of experience we lost several games in the last few innings. "We just couldn't put together seven whole innings very effectively until the Sectionals when we beat both Buckeye and Plymouth to win the Sectional Crown." stated Coach Shreck.

We had everything to gain and nothing to lose when we travelled to Galion for out first District game to face Sandusky St. Mary's. Two runs were all they needed to take the win, however, they knew they had played a team with the desire to win. We are already looking forward to another season to better our record.

GIRLS GIRLS GI
ICK TRACK TA

Once again the mighty Girls' Track Team proved they were not to be taken lightly by winning all of their dual and tri-meets and taking first place trophies in the Marysville Relays, Blade Relays, and again in the Bucyrus Relays for the fourth year in a row.

The team was well represented by all the classes in the school. Freshman, Joyce Holman smashed shotput records across the N.C.C. and ended finishing 9th in the State Meet. Sophomore miler, Julie Dotson qualified 2nd in the District at Ada and eventually finished 6th in the State. Junior, Penny Miller reached State competition in both the long jump and the 100 yard dash. At the big meet she finished a respectable 7th in both events. Also, three relay teams went on to the State. The 440 team made an excellent 2nd place finish and the 880 team and mile team both finished 6th.

All the girls on the team whether scoring points or not should be commended on a job well done. As a warning to all, watch for the Royallettes next------they will be out-of-sight.

BOY'S TRACK

The track team was most exciting this year. We featured a well balanced distance and sprint crew with an exceptional group of field event men.

The season started slow and then picked up momentum by the time we got to the Vermillion Relays. There we received a well deserved second place trophy and many individual ribbons.

The season was long for some members and short for others. Many guys qualified for the District Meet and one went to the State meet. Much desire and effort was shown by the team and although the overall record did not show much success many talented individuals came through.

Varsity Cheerleaders

The work of the cheerleaders began early in the summer. After attending camp, the Varsity also participated in the Grand Nationals in Michigan. The Reserve and Freshman squads also attended camps and were shown new skills in cheers, mounts, and skits.

Many hours were spent after school practicing, making signs and thinking of crazy themes for Spirit days on Fridays.

The senior cheerleaders would especially like to thank the students and fans for their support during the last four years.
